"I'm having trouble with the HRD 5.0b build 2893. I've downloaded the program from N4IK's website and have installed it without any problems. In HRD, I select my radio station, click "Play" and nothing happens, not even an error message. I can start an internet radio station. When I try to select HRD's "ChannelPlus" feature, I get an error message that HRD can not connect to the ChannelPlus server. . But I don't have any software on my machine from N4IK and I tried to download and 570a42141b
