The old German king spends his days chopping logs and musing on what might have been. When the Nazis invade Holland, the Kaiser's staff is replaced by SS guards . Nov 1, 2003 He was a genius, a monster, a tyrant and a monster, a monster. Hitler's enthusiasm for the Kaiser, who had scuttled from Berlin to Holland, and who now lived in exile in a small palace, was palpable. Hitler had certainly made an error when he abandoned the German fatherland on the French frontier, for he was convinced that the Kaiser would never return to rule a united and proud Germany. And when he ordered the old emperor's arrest, he was convinced that the Allies would allow Wilhelm to go. In Hitler's mind, the Kaiser was harmless, a symbolic figure who posed no threat. The failure of the putsch of November 1923 had been a disaster for the Nazis, and they now resolved to renew their cause. But they were trapped. The army had now made clear that the rise of Hitler would not be tolerated; the German people were horrified at the Nazi regime's anti-Semitic persecution. There was no easy way out for the Nazis: their only path to power was if the Allies made their dream of an anti-Semitic Germany a reality. Hitler had no way out. His only hope lay with the Grand Alliance. Hitler would have to play the game. Download The Kaiser's Last Kiss pdf for free.
