Quarterback Aaron Rodgers has been on injured reserve more often than not, the team has been plagued by roster turnover, and the team as a whole has been less dominant on a weekly basis. But after a playoff upset over the New England Patriots in last year's divisional round and a Super Bowl victory over the New England Patriots in 2013, Green Bay entered 2017 with Super Bowl aspirations and a renewed identity on the field. In addition to the play-making ability of Aaron Rodgers and the reliability of running back Eddie Lacy, the Packers have also added an impressive young tight end in their passing game in the form of third-year player Eric Ebron. And what better way to get the offense back on track than to give Aaron Jones the opportunity to prove himself as a feature back in his third year in the league. In his second season in the NFL, Jones averaged just 3.6 yards per carry and 3.6 receptions per game. To put those numbers in context, the Packers backfield as a whole combined for just 1.8 yards per carry and 1.4 receptions per game. Having the opportunity to run behind a strong offensive line and the work ethic and determination of a player like Jones should have a similar effect on his career. With the right opportunity, there's no reason Jones can't develop into a real threat in the passing game as well. Jones hails from the University of Georgia and was regarded as a highly-touted prospect coming out of high school. The younger brother of Atlanta Falcons running back Devonta Smith, Jones was once regarded as a potential first-round pick. Instead, he went undrafted in the 2015 NFL draft and had to look to other options as an undrafted rookie free agent. But the rookie-sophomore transition didn't go as planned for Jones, as he suffered a knee injury in his rookie season and missed the entire 2016 season. "You feel like you come out and you are always ready to go, but it never works out that way," Jones said. "I was able to come back from that injury and was just excited for the opportunity." Coming back from that injury proved a blessing for Jones, as he showed his ability to run between the 2d92ce491b
