(It's big! Seriously big!) Requirements: Mac OSX 10.5+ Arturia Analog Lab version 2.0+ Reviews: "One of the better sound banks on the App Store" - Nick S, This Week in Tech "One of the best "free" drum packs on the App Store." - Joe S, Creative Review "The overall quality of these sounds is superb, and the user interface is very easy to navigate through." - Ray P, Creative Review "I do like the effect department and their effects work is very slick and good for live use." - Ray S, Creative Review "I was impressed by the high quality of the drum machine sound, beats, and percussion samples." "Sonic Insanity is an incredible resource for anyone into beats." "The sounds included here are produced with loving care and attention to detail, it's a great collection of sounds for the modern producer." - David M, App Store Reviews "Creative Instrument has done a great job with this sound pack, it's got everything from industrial to pop and everything in between. As well as drums, it includes synth loops and effects, you'd be surprised at what f3e1b3768c
