Four members of a university gang raped a female student in a

---

notorious bathroom at the top of a UAF dormitory building at midnight. In a related article in the French newspaper Le Monde, a security guard who was on duty in another bathroom said a young man ran out

---

while others were fighting and that it took him a few minutes to find the culprit and stop him. There was also an incident in a high-rise public bathroom in Caen when a coed was raped by a group of three

---

men in the men's room. And  
in Paris, a 20-year-old  
woman was raped by a  
group of five men in a park  
in the fifth arrondissement.
