Lineage II is an epic fantasy MMORPG game where players are constantly exploring the vast 3D open world. Explore the Land of Dawn, Eredin, and discover all kinds of monsters. Level up your character and join together with other players to slay monsters and bosses in battles. In this game, you can make choices that will determine how you play the game. You can be a pacifist that focuses on farming, or you can fight with swords and magic. You can even play as a dark guardian, a powerful and deadly warrior who fights with great weapons. There is a total of 10 classes to play, with a total of 40 jobs. The jobs include such as Warrior, Necromancer, Ninja, Dark Guardian, Archer,
