Jun 27, 2018 I had a tiny problem with my head when I am doing photography and videography.. /stories/3154764-hd-online-player-ramayana-the-epic-movie-download-k-top. When pain becomes the only answer, is it time to stop or go? Trauma healing.Q: How to check if a file exists at the root of a web server? I am trying to check if a file exists at the root of my web server. I am trying to accomplish this with PHP: \$root = \$_SERVER['DOCUMENT_ROOT']; \$dir = "folder/"; if(file_exists(\$root.\$dir)) { // do something } However, that does not work because \$_SERVER['DOCUMENT_ROOT'] is not the root of the web server. I am using Apache with PHP-FPM. How do I check if a file exists at the root of my web server? A: If you just want to know if the file is in the root of your web server, you can just do this: if(!is_dir(\$_SERVER['DOCUMENT_ROOT'] . '/folder')) { // don't do something } That's all you need. The reason it doesn't work in your code is that when you read \$_SERVER['DOCUMENT_ROOT'] in PHP, it's not the root of the web server. It's the root of your web server. Q: How to configure local system to use my GitHub private repo? I have a GitHub private repo where I store all my private projects, with separate user account. Recently I created a new project on my local system. I can add my local project to my GitHub repository using "Add a new remote" but this creates a new remote, pointing to my GitHub repo. I wanted my local system to use the same GitHub repo as in my GitHub account. Is there a way to do this? A: You can add a remote in your local repository: git remote add origin After that you can clone the repository with: git clone

H.R. 2391, the Workplace Fairness to Combat Workplace Sexual Harassment Act of 2016, passed the House by voice vote on Feb. 6, 2016, after a lengthy debate, causing Republican Rep. Cathy McMorris Rodgers of Washington to denounce the bill as the “Workplace Sexual Harassment Hypocrisy Act,” because its underlying premise was to protect against sex-based discrimination rather than sexual harassment. With the House’s approval, the bill now proceeds to the Senate, where its fate is 2d92ce491b
