"Ship Simulator 2008 is one of the best simulation games I have ever played in my life. I can't recommend this game enough to anyone who likes simulations." Game Info: Simulate the crew of a ship in the city of Venice for 24 hours, using the various departments of the crew, such as the captain, first officer, radio operator, engineer, cook, engineer and more. The simulation gives you full control over a ship that you must navigate through the intricate waterways of the city of Venice and the four main docks. You have access to cargo spaces and complete control over the engines and the crew. Requirements: Windows 7, Windows 8, Windows 8.1, Windows 10, Windows 10 October 2018 Update. How to Crack: Copy "ShipSimulator2008_Cracked.exe" and paste it to the installation directory as indicated below: C:\Program Files\ShipSimulator2008. Then run the game. There are some platforms that may not support direct installation. Follow these steps: Click "Start" on the bottom left-hand corner of the screen and click on the "msinfo32" on the next window. Right click on the icon "ship simulator 2008" and select "Properties". Navigate to the Target tab. Select all the subfolders in the Source column and then click "Apply". Click "OK" on the "msinfo32" window. Note: ShipSimulator2008_Cracked.exe is protected with a serial number, so to run the game, you must allow this executable access to run with elevated privileges.
