Plot summary *Pride and Prejudice* follows the development of Elizabeth Bennet, a young woman from the wealthy and powerful Bennet family of Pemberley in Hertfordshire, England. Elizabeth is the eldest daughter and fourth of five children to her mother, Lady Catherine de Bourgh, and her father, the second Earl of Bennet. In *Pride and Prejudice*, the Bennets' ancestral estate of Pemberley,

---

situated in the county of Derbyshire, is still inhabited by the family's steward, Mr. Collins, as well as their cousin, Lydia Bennet. Despite being half-siblings, Lydia and Elizabeth become close friends and Elizabeth invites Lydia to live with her family at Pemberley, where she finds herself to be exactly the character she was supposed to be as a child: a “very beautiful, agreeable, clever young woman.” In particular,

---

Lydia excels at dancing and at the time of her arrival in Pemberley, she is already engaged to be married to the wealthy but poor Mr. Wickham, who also happens to be Lydia's first cousin. Elizabeth is quickly impressed by Lydia's charm and grace and is very fond of her, as well as a little jealous of her sister, Jane Bennet, who adores Lydia, which she is more than happy to overlook. The friendship between Elizabeth and

---

Lydia does not, however, last long, as events eventually make clear that their friendship was never based on more than mere friendship. Elizabeth has eyes for the wealthy and eligible Mr. Darcy, the heir of the wealthy and powerful Pemberly family, but he is uninterested in her and is still madly in love with his first wife, Georgiana Darcy. After seeing Lydia dance for him at a ball, Darcy falls in love with her, so much so that he resigns his

place in the country to travel to London and to win her over. When he learns that she has already accepted a marriage proposal from Wickham, he flies into a rage and a violent scene ensues between him and Wickham in which Wickham is beaten up and left for dead. The only solution to the awkward situation is for Wickham and Lydia to run away together and start a new life in London. In response to this turn of events,
