Articles Tagged: A Low-Interest No-Closing Loan How long can you take out a no-interest personal loan? Even though you are only using a no-interest personal loan for a few months, there is no guarantee that the bank won't come after you for the original loan amount plus any additional interest. Also, there is no such thing as a free lunch. Your small loan is as good as gone in six months. In fact, you could lose it before you know it. Here is a time chart showing how quickly it takes for an unsecured personal loan to become lost, plus the time it takes to recoup the loss. Exercise: what do you do? Looking at this chart, it looks like there is a definite point where you have to decide whether to continue to borrow or to pay the money back. It may be worthwhile to seek the advice of an expert in the area of finance, such as our finance specialists at a financial institution. Contact us today to find out more about the types of loan that best suit your individual situation. Get an overview of the loan types A Low-Interest Personal Loan A no-interest personal loan is a loan in which you pay nothing on the principal amount of the loan. So, even though you are only borrowing a small amount of money, it is going to cost you nothing. However, if you don't pay the money back in the agreed time, the bank will come after you for the entire loan amount, plus interest. The interest rate can be up to 14% or even more. On top of this, you may lose the entire loan amount, plus interest, to the point that you will f3e1b3768c
