VIDEO ON THE THEME: Application from the first participant of the Program on housing provision for young families was submitted to FSS of Russia Content: How to receive payment for purchase of an apartment? How to receive payment for purchase of housing to the young family How to receive money for buying an apartment How to receive compensation for buying an apartment? How to get compensation for the purchase of a home and for how many years you will be reimbursed? And when can I expect to be reimbursed for mortgage interest? Compensation payments are available:. Compensation for the cost of building or buying a home is available to those who were on the waiting list for housing before January 1. If the cost of the apartment you are going to buy is less than two and a half million rubles, you can count on compensation for mortgage interest. If your official income allows you to pay the mortgage over the years, you can count on a subsidy from the state. It is also possible to take a loan for the purchase or construction of housing, which will be repaid from the subsidy What are the subsidies for large families in 2019 and how to get them Subsidies for purchasing housing in 2019 How much? Subsidies for the purchase of housing in 2019 The conditions and algorithm for the calculation of subsidies for the purchase of housing for young families fffad4f19a
