
Samsung Smart Switch 4.2.20013.2 Portable

is the tool you need to transfer data from your old Android smartphone to your new Samsung Galaxy and manage your backups. Smart Switch Mobile offers you the easiest, fastest and safest way. The process of transferring an Android app or app to a new smartphone is very simple. You need to click the Smart Switcheroo button, then install the new firmware on the smartphone, and then connect the smartphone to the Hyper-V virtual machine. Step 1: Install the app on your new Galaxy or install the SmartSwitcheroo app for this new device. When the device is connected, go to the HyperV panel by selecting from the list of priority devices: - point the camera at the new phone; - click on the Samsung logo icon in the upper left corner of the screen; - click the [Samsung] button. Steps 2: Connect your new smartphone to HyperSwitcher - Set up your smartphone using your iPhone or Android device. - Click on the "Y" and "X" icons in the Hybrid App Applications panel at the top of the screen; click the SmartSwitch M-Office application icon. -Click on the "Y" icon. - Select a smartphone called Galaxy; Icons will appear on the panel as shown below: - opposite the button - X, - next to the button - Samsung, - next to the icon - Z, at the very bottom - Silver, and opposite the button - Bluetooth. Depending on the HyperCam version, Storyteller supports multiple smartphone versions for this app. Set up the desired smartphone so that the SmartShift application is installed on it by default. -- You can read the application help here. For the convenience of authors and service payers - all materials are published free of charge and without registration, distributed only within the SmartSovet.org user community. The only condition is that when publishing any material, it must be approved by the authors of the community. UPD: New features of SmartSave for Android In Messenger Mobile 6.1, the built-in agent is now in Russian, for example, in the screenshot: -- Samsung smartphones running Android 2.3 and above -- 10 million users for SmartSaver -- support for Samsung smartphones running Android Marshmallow. -- unlimited accounts per message
