WARHAMMER 40,000. CODE: TAU EMPIRE. Official update of version 1.1. While we strive to keep our rules... for all units in the game as simple as possible, there are a number of rules that should be followed in cases where the rules are not followed. We will carefully study the bug reports and amend the rules to make them even more clear and simple. We will try to do as much testing as possible to make sure that if there are any changes, we will notify you about them. In this update, we'd like to talk more about the codex for the Tau Squad.
