#### What's New in the ConnectCode Free Barcode Font?

ConnectCode Free Barcode Font is a lightweight Windows application built specifically for helping you generate barcodes in an intuitive working environment. The program offers integration for various utilities, such as text editors, Microsoft Word and Excel, Oracle, Crystal Reports, Reporting Services, and others. It sports a clean and straightforward layout that allows you to pick the barcode type (Code 39, Industrial 2of5, and Postnet), type in the data, check the digits, and generate ISSN/ISBN code. What's more, you can preview the barcodes, reveal or hide the barcode data, and customize the text in terms of font style and size. Although you cannot export the information to a file, ConnectCode Free Barcode Font gives you the possibility to copy the barcode to the clipboard and paste it into other third-party utilities. Plus, you are allowed to perform command-line operations. Since it doesn't require much computer knowledge to work with this tool, even less experienced users can master the utility with minimum effort. During our testing we have noticed that ConnectCode Free Barcode Font offers very good output results, and no errors showed up throughout the entire process. As it would be expected from such a small utility, it remains light on system resources, so it doesn't hamper computer performance, nor interfere with other programs' functionality. To sum things up, ConnectCode Free Barcode Font offers a simple yet powerful software solution when it comes to helping you create barcodes. It can be easily configured and installed by all types of users, regardless of their experience level. Welcome to the ShareMe.
