When Riven was a child, her mother abandoned her in the woods, leaving her alone to survive. Riven has been searching for her mother ever since, but on the night she finally finds her, her mother is killed. In the wake of her mother's murder, Riven is forced to grow up fast. At the same time, her ancestors' curse of animalism is about to kick in and the reaper has arrived to claim her soul. Now it's up to Riven to save the people around her. If she fails, she'll spend the rest of eternity alone. The first step to defeating evil is to give yourself to it. But there's no time. When she falls for a young prince, Riven isn't sure who to trust. However, there's one creature she's not worried about deceiving: the reaper. Riven and her mother's spirit are one and the same, and she's determined to protect her. But when the reaper comes for her soul, Riven must come to terms with who she really is. The reaper's no fool. He knows Riven has more power at her fingertips than anyone else and he's not about to let her go without a fight. He's been preparing his plan for years. And he's just as obsessed with Riven as she is with him. Riven isn't like any woman she's ever met. But to defeat evil, she must become it. And she just may have to fight with a reaper by her side to do it. Join Riven, Wren 4bc0debe42
