communities Little touches can
go a long way to brighten a
room. We came across some
amazing examples of how a
modern and subtle twist of
lighting can elevate a space. To

see more of these stunning interiors, visit our Flickr set or continue reading below to see them in action. 1. A minimal and modern white living room Image Credit: themissjennifer.com This is a minimal and modern white living room. The entire room feels so open and airy. Its monochromatic scheme creates a modern and cool vibe. Simple touches such as the built-in shelving and the white patterned table add a lot to the room. The

light fixtures further enhance the overall look of the space.

Advertisement 2. A retro chic bedroom with a modern flair

Image Credit: brittany.weddings

This is a retro chic bedroom with a modern flair. The key to this design is the use of modern and retro elements together. The neutral walls with wood paneling add a classy feel to the room.

The modernized touches include the lighting, the reading lamp, the mirror, and the art.

Advertisement 3. The perfect study space Image Credit: belinda.m This is the perfect study space. The key to this interior is the modern and minimalist appearance. The use of green shades helps to make this space feel less stuffy and closed off. The subtle use of plants adds a feeling of nature. The use of neutral colours and different types of green shades help to create a soothing and calm environment.

Advertisement 4. A lovely modern kitchen Image Credit: insideoutnovellinois.com This is a lovely modern kitchen. The wooden shelves help to create a modern and open feel. The sideboard is an added touch that adds a lot to the room. The use of neutral colours and white adds to the overall feel of the space. The two extra-tall window shades add a lot to the overall look of the kitchen.
